

# Tell the Truth

[Eric Clapton](#)

Tell me who's been fooling you?  
Tell the truth  
Now who's been fooling who? There you sit there, looking so cool  
While the whole show is passing you by  
You better come to terms with your fellow men soon, 'cause The whole world is shaking now, I can feel it  
A new dawn is breaking now, I can see it Tell the truth  
Tell me who's been fooling you  
Tell the truth  
Now who's been fooling who? It doesn't matter who you are  
Or where you're gonna be  
Open your eyes and look into your heart The whole world is shaking now, I can feel it  
A new dawn is breaking now, I can see it  
See it, yeah, I can see it  
See it, yeah, I can see it  
See it, yeah Tell the truth  
Tell me who's been fooling you  
Tell the truth  
Who's been fooling who? Hear what I say, 'cause every word is true  
You know I wouldn't tell you no lies  
Your time's coming, is gonna be soon, boy The whole world is shaking now, I can feel it?  
A new dawn is breaking now, I can see it?  
See it, yeah, I can see it  
See it, yeah, I can see it  
I can see it  
See it, yeah, I can see it
