Never Give Up

Yolanda Adams

Visions that can change the world trapped inside an ordinary girl
She looks just like me too afraid to dream out loud
And though it's simple, your idea, it won't make sense to everybody
You need courage now, if you're gonna persevere
To fulfill divine purpose, you gotta answer when you're called
So don't be afraid to face the world against all odds
Keep the dream alive, don't let it die
If something deep inside keeps inspiring you to try, don't stop
And never give up, don't ever give up on you
Don't give up
Every victory comes in time, work today to change tomorrow
It gets easier, who's to say that you can't fly?
Every step you take you get closer to your destination
You can feel it now, don't you know you're almost there?
To fulfill divine purpose, you gotta answer when you're called
So don't be afraid to face the world against all odds
Keep the dream alive, don't let it die
If something deep inside keeps inspiring you to try, don't stop
And never give up, don't ever give up on you
Sometimes life can place a stumbling block in your way

But you gotta keep the faith
Bring what's deep inside your heart to the light
And never give up, don't ever give up on you
Don't give up
Who holds the pieces to complete the puzzle?
The answer that can solve a mystery, yeah
The key that can unlock your understanding
It's all inside of you, you have everything you need, yeah
So, keep the dream alive, don't let it die
If something deep inside, keeps inspiring you to try, don't stop
And never give up, don't ever give up on you
Sometimes life can place a stumbling block in your way
But you gotta keep the faith
Bring what's deep inside your heart, yeah your heart to the light
And never give up, don't ever give up on you
(Give up)
No, don't give up
No, no, no, no

(Don't give up)
Don't give up, give up
No, no, no, no don't give up
