Take A Chance On Me

A*Teens

If you change your mind, Im the first in line
Honey Im still free, take a chance on me
If you need me let me know, gonna be around
If youve got no place to go when youre feeling downIf youre all alone, when the pretty birds have flown
Honey Im still free, take a chance on me
Gonna do my very best and it aint no lie
If you put me to the test, if you let me tryTake a chance on me
Thats all I ask of you honey
Take a chance on meWe can go dancing, we can go walking, as long as were together
Listen to some music, maybe just talking, get to know you better
Cos you know Ive got, so much that I wanna do
When I dream Im alone with you, its magic
You want me to leave it there afraid of a love affair
But I think you know, that I cant let goIf you change your mind, Im the first in line
Honey Im still free, take a chance on me
If you need me let me know, gonna be around
If youve got no place to go when youre feeling downIf youre all alone, when the pretty birds have flown
Honey Im still free, take a chance on me
Gonna do my very best and it aint no lie
If you put me to the test, if you let me tryTake a chance on me
Come on give me a break will you
Take a chance on meOh you can take your time baby
Im in no hurry know, you know you gonna getcha
You dont wanna hurt me, baby dont worry, I aint gonna letcha
Let me tell you now, my love is strong enough
To last when things are rough, its magic
You say that I waste my time, but I cant get you off my mind
No I cant let go, cos I love you soIf you change your mind, Im the first in line
Honey Im still free, take a chance on me
If you need me let me know, gonna be around
If youve got no place to go, when youre feeling downIf youre all alone, when the pretty birds have flown
Honey Im still free, take a chance on me
Gonna do my very best and it aint no lie
If you put me to the test, if you let me tryHoney Im still free, take a chance on me
If you need me let me know, gonna be around
If youve got no place to go, when youre feeling downIf youre all alone, when the pretty birds have flown
Honey Im still free, take a chance on me
Gonna do my very best and it aint no lie
If you put me to the test, if you let me tryHoney Im still free, take a chance on me

If you need me let me know, gonna be around
If youve got no place to go, when youre feeling downIf youre all alone, when the pretty birds have flown
Honey Im still free, take a chance on me
Gonna do my very best and it aint no lie
If you put me to the test, if you let me try
