Yes It's You Lady

Smokey Robinson

Love is five foot somethin' with flashin' eyes
Irresistible merchandise
Love is walkin' towards me with open arms
Settin' off my desire alarm
Yes, it's you lady, love is you lady, hey
Yes, it's you who can do the same old things
And make me feel good every time
Fun is magic moments for two, it seems
Sharin' intimate secret dreams
Fun is ten more seconds of touchin'
We never seem to get too much and
Yes, it's you lady, yeah, fun is you lady
Yes, it's you who can do the same old things
And make me feel good every time
Every time, every time, oh
Every time is like the first for me
And I know that I will never be free from you
Free from you, free from you, free from you
Mind reader, my movin' closer is no surprise
You automatically synchronize
Mind blower blew my mind
But before I knew, I had fallen in love with you

Yes, it's you lady, oh, mind blowin' you lady, baby
Yes, it's you who can do the same old things
And make me feel good every time
Make me feel good every time
Oh, yes, it's you lady, love is you lady
Yes, it's you who can do the same old things
And make me feel good every time
Make me feel good every time
Yes, it's you lady, eh, mind blowin' you lady, lady
Yes, it's you who can do the same old things
And make me feel good every time
You make me feel good every time
You make me feel good every time
You make me feel good every time
Every, every, every, every time
Make me feel good every, every, every time

Make me feel good every, every, every time
Every, every, every time
Every time you make me feel good
Every time, yes, it's you
Yes, it's you lady, yeah
Yes, it's you, yes, it's you, every time
