

She Said...

Home Grown

When I think about her, I just get down
Knowing that she doesn't want me around
Maybe if she would try, things would work outBut I know that it's useless
To maintain this state of hopelessness
'Cause when I see her
She said she's got better things too doMasturbation's left me alone
I can't even talk to myself on the phone
Maybe if she would try, things would work outBut I know that it's useless
To think that she'd love me
'Cause she is a stupid bitch
And she said she's got better guys to do
