

# One Last Breath

## Distorted

Please come now I think I'm falling  
I'm holding on to all I think is safe  
It seems I found the road to nowhere  
    And I'm trying to escape  
I yelled back when I heard thunder  
    But I'm down to one last breath  
    And with it let me say  
        Let me say  
        Hold me now  
    I'm six feet from the edge  
    And I'm thinking maybe six feet  
        Ain't so far down  
    I'm looking down now that it's over  
        Reflecting on all of my mistakes  
I thought I found the road to somewhere  
    Somewhere in His grace  
    I cried out, "Heaven save me"  
    But I'm down to one last breath  
    And with it let me say  
        Let me say  
        Hold me now  
    I'm six feet from the edge  
    And I'm thinking maybe six feet  
        Ain't so far down  
        Hold me now  
    I'm six feet from the edge  
    And I'm thinking maybe six feet  
        Ain't so far down  
        I'm so far down  
        Sad eyes follow me  
    But I still believe there's  
        Something left for me  
    So please come stay with me  
        'Cause I still believe there's  
    Something left for you and me  
        For you and me  
        For you and me  
        Hold me now  
    I'm six feet from the edge

And I'm thinking  
Hold me now  
I'm six feet from the edge  
And I'm thinking maybe six feet  
Ain't so far down  
Hold me now  
I'm six feet from the edge  
And I'm thinking maybe six feet  
Ain't so far down  
Please come now I think I'm falling  
I'm holding on to all I think is safe
