

Quarterback

Lil' Phat

[Luda]

Ow! Track-stars woo...hey... DTP

Let's Go

[Chorus: Bobby v]

She's dangerous,(Uh huh) super fast. (OK)

Better watch out she'll take ya cash.

She's a gold... digger. [x2]

She's dangerous (alright) super fast (uh huh)

Better watch out she'll take ya cash.

She's a gold... digger [x2]

[Luda]

Yeah, shes a money magnet, smell a dollar bill in ya clothes.

Gold digger style from her head to her toes

You here me sayin no don't mess with this dress

She's out to get ya dough none more none less

Shes lookin' for a prize, man you killin me

Actin like you don't see the dollar signs in her eyes

You wanna nail done, and i help, too

Plus a diamond necklace, thats all on you

You still can't see it, yeah you a sucka

If you do it homeboy man i couldn't be it

Hypmontised by her goodlooks?

Yeah maybe, but a victim for a good crook? Nope not me!

Consider yourself worn so you can stay.

Or you can stick to my rhyme and get the heck away!

Either way, go figure, shes a gold digger.

Gettin' close as your bank row grows bigger

[Bobby V]

She's dangerous, super fast,

Better watch out she'll take ya cash.

She's a gold digger..

She's a gold digger..

[Repeat Chorus][Lil' Fate]

INFATUATED WITH HER BEAUTY

INTRIGUED BY HER BRAIN When she look at you she only see "ching-ching"

A MIL around your neck, A MIL around your arms

A championship ring, YOU must be a BALL HOG

She turns on the METER, as soon as you MEET her

ONCE you bite the bait, you HOOK LINE AND SINKER
When money talks she ticks like F.B.I
Ready to handcuff the right guy
Look you in the eye, and tell a boldface lie.
Schemin on the way to money yo, well ya tried
Guess its a game now, gotta watch who you trust
Like her because, its only out for your books
Ye sir, shes all about being paid
At the end of everyday its a fine new grade,
What more can i say? But the wires up front
Better watch out, she'll leave yah with INSUFFICIENT FUNDS
[Chorus X2][Bobby V]
She's so phsyical.
I say movie stars you better watch your back
She'll be spending up your cheque
Oh yeah. For the growin... just won't stop
Will be rottin in your eyes
She's a...Gold digga, gold digga, gold digga yeah.
[Luda]
She's dreaming schemin on a way to get your dough
She dig a lot of reelin now hit the flow, you just don't know
because you got got and thats for show
[Lil' Fate]
Oh eyah she's a superstar chick
But don't do it unless you got miles of risk
Dhe's a hemstraigh run a mile in the olympics
Aha uh uh huh
[Chorus (Repeat till fade)]
