

The Quest For Tanelorn

Blind Guardian

By the ruins he stands
And he's waiting for me
To enter Tanelorn
His paths seems strange
But they're always planned
Seldom he succeeds
About his own fateHe tries to conquer it
Again and again
But at last he's almost
A ruined man
Not a king or God
Who's searching for
A place called Tanelorn
Far beyond your dreamsOn our quest for Tanelorn
We lose our way
On our quest for TanelornHe's waiting
He's waiting for me
He's waiting
He's waiting for me[Spiritus sanctus - vita aeterna]Darkness falling down on me
Darkness - The eternal battle risesI know the answers
Although they don't exist
I'm just a mortal illusionOn our quest for Tanelorn
We lose our way
On our quest for TanelornSo I'm his companion
Through space and through time
His eternal servant
He's calling me
So I must leave
To any life
To another world
Far beyond Your dreamsTo know the truth
Just for a while
He's longing for a place
Where he can find himself
Deliverance
It could be everywhere
How can he find
He's waiting for me
And for Your TanelornOn our quest for Tanelorn

We lose our way
On our quest for Tanelorn
We lose our way
On our quest for Tanelorn
We lose our way
On our quest for Tanelorn
We're left alone
