

# I'm Her Man

## Canned Heat

I found love sure is good to me  
I found love sure is good to me  
You know a man needs a woman though to keep him company  
It feels good not to be alone  
Oh so good not to be alone  
I'm gonna make sure not to lose my happy home Love can come and go  
Why i sure don't know  
Never gonna let her go You know love, is hard to understand  
I said love is hard to understand  
But it sure feels good to know that i aaaam her man  
Love can come and go  
Why i sure don't know  
Never gonna let her go
