

Lord You Are Good

Don Moen

where would i've been
if you not be by my side
how could i rise to meet
the morning of the day
your tender mercies
always calling from behind
at times i could not see
even though you were close by

lord you are good
you are good
and your mercies forever endures
lord you are good
you are good
and your mercies forever endures

Where would i've been
if you are not here by my side
How could I rise to meet
the mourning' of the day
Your tender mercy always calling from behind
AT times I could not see even though you were closed by

(Repeat Refrain)

Help me to see your loving kindness
Help me to see You as you are 2x

As you really really are...

===God's lovingkindness 4ever endures,
we may fail, but his mercy endureth 4ever==
