Dying Days

Screaming Trees

All these dyin' days
I walk the ghost town
Used to be my city
I seen a holy man
Seen him cryin' with the Mother Mary
All these dyin' daysYes it's too late
This life isn't mine
Lord, hear me pray
Can you ease my mind?
Now they're gone forever
Jesus, I done gone overSleepin' alone
You stay on your side
If I couldn't lie
Like all of a thousand other times
I wouldn't be on this highway
Taken on down this highwayAll these dyin' days
I walk the ghost town
Used to be my city
I seen a holy man
Seen him cryin' with the Mother Mary
All these dyin' daysAll these dyin' days
I walk the ghost town
Used to be my city
I seen a holy man
Seen him cryin' with the Mother Mary
All these dyin' days, oh yeahYes it's too late
This life isn't mine
Lord, don't you hear me pray?
Can you ease my mind?
Waiting for the sunshine
Waiting for the sunshineAll these dyin' days
I walk the ghost town
Used to be my city
I seen a holy man
Seen him cryin' with the Mother Mary
All these dyin' days, ah yeahDyin'
I'm dyin'
I'm dyin'
