Rhythm King

Luna

Your earings area dancin'
They're flyin' in circles
Your janglin' jewelry
Is hypnotisin'Your girlfriends met for cocktails
Leavin' you behind
Giggles 'round the table
Never you mindWait for an answer
Good things will come
Good things will happenYou're gonna get some
Good things are comin'
AhhHeadin' for Tacoma
And drivin' too fast
Nixon's in a coma
And I hope it's gonna lastWomen turn to flowers
Men turn to snakes
You're turnin' in to someone else
Never you mindWait for an answer
Good things will come
Good things will happenYou're gonna get some
Good things are comin'
Ahh
