My revenge against the world  
Is to believe everything you say  
Balance as you are  
On a pile of empty bottles And even when the world has taken  
All your defenses away  
Theres no way that you can be true And Ill believe you  
Ill believe you Dont you get sick  
Of party favors  
That start with a whimper  
And end with a whisper And even when every single one  
Of your gestures is a lie  
To me, you always ring true And Ill believe you  
Ill believe you The first time the cops came  
They were like brand new friends  
The second time they came  
They were a little concerned They said, We know all about you  
Youre like a moth's to a flame  
Yeah, we speak too much  
And none of its ever true What happens to the rat  
That stops running the maze  
The doctors think its dumb  
When its just disappointed I meant it when I said  
That I would never see you again  
But no matter how dumb I get theres one thing Ill always do Ill believe you  
Ill believe you  
Ill believe you  
Ill believe you
