

# Silently

[Del Shannon](#)

Sitting here, Without a chair,  
Wondering, Where, Can you be,  
Butterfly, Floating by, Quietly,  
Fluttering its wings,  
Silently, Just like me,  
Perfumed air, On gentle wind,  
Blew her hair, Softly,  
Through my eyes,  
Silently,  
She's part of me,  
No, No, No, No,  
They took my toys away,  
No, No, No, No,  
She can't come out and play,  
Must be a rainy day,  
Crying tears,  
Inside my eyes,  
Wondering, Where,  
Can you be,  
Childhood dreams,  
Of Grown-up's schemes,  
Empty sea,  
Running on a sunless shore,  
Silently,  
just like me,  
Silently,  
Empty dreams
