

Slow Down Sister

Lady Antebellum

Slow down sister 'cause I just can't love you
But I just can't get you off my mind, come on I ain't your fool, I'm not falling
I'm not falling in love with you
I play by my rules and believe me
You don't want me too close to you And even though you look so fine
I've been on this broken road one too many times So slow down sister 'cause I just can't love you
But I just can't get you off my mind
Oh and Lord knows I need you but I just don't wanna
Put this rusted heart upon the line I've heard people say that I'm crazy
That I'm crazy for avoiding you
But honey I got my freedom and my reasons
All the reasons for what I do But that last kiss just did me in
And I don't wanna look at you as something more than just a friend Oh, so slow down sister 'cause I just can't
love you
But I just can't get you off my mind
Oh and Lord knows I need you but I just don't wanna
Put this rusted heart upon the line Oh, slow down sister, I gotta make you mine
Oh, all I'm asking for is just a little time, a little more time So slow down sister 'cause I just can't love you
But I just can't get you off my mind
Oh and Lord knows I need you but I just don't wanna
Put this rusted heart upon the line Slow down sister
Would you slow down, slow down, slow down just one time?
