I don't worry about a thing

Ben Sidran

If this life is driving
You to drink
You sit around and wondering
Just what to think
Well I got some consoloation
I'll give it to you
If I might
Well I don't worry bout a thing
'Cause I know nothing's gonna be alright
You know this world is just one big
Trouble spot because
Some have plenty and
Some have not
You know I used to be trouble but I finally
Saw the light
Now I don't worry 'bout a thing
'Cause I know nothing's gonna be alright
Don't waste you time trying to
Be a go getter
Things will get worse before they
Get any better
You know there's always somebody playing with
Dynamite
But I don't worry about a thing
'Cause I know nothing's gonna be alright
