

# I don't worry about a thing

Ben Sidran

If this life is driving  
You to drink  
You sit around and wondering  
Just what to think  
Well I got some consoloation  
I'll give it to you  
If I might  
Well I don't worry bout a thing  
'Cause I know nothing's gonna be alright  
You know this world is just one big  
Trouble spot because  
Some have plenty and  
Some have not  
You know I used to be trouble but I finally  
Saw the light  
Now I don't worry 'bout a thing  
'Cause I know nothing's gonna be alright  
Don't waste you time trying to  
Be a go getter  
Things will get worse before they  
Get any better  
You know there's always somebody playing with  
Dynamite  
But I don't worry about a thing  
'Cause I know nothing's gonna be alright
