

Commitment

[LeAnn Rimes](#)

What I'm lookin' for is a love that's forever
Someone who can capture my soul in a heartbeat and stay for all time
What I'm prayin' for is a match made in heaven
Someone who will worship my body and still put his heart on the line
Commitment
Someone who'll go the distance
I need somebody with stayin' power
Who will make me go weak in the knees
Commitment
And everything that goes with it
I need honor and love in my life from somebody
Who's playin' for keeps
What I'm searchin' for is a man who'll stand by me
Who will walk through the fire and be my flame in the night
I don't settle for less than what I deserve
A friend and a lover who'll love me for the rest of my life
Commitment
Someone who'll go the distance
I need somebody with stayin' power
Who will make me go weak in the knees
Commitment
And everything that goes with it
I need honor and love in my life from somebody
Who's playin' for keeps
Yeah, I've had promises broken, three words left unspoken
They just left me achin' for more
But I've found temptation, I won't be impatient
There's one thing that's worth waitin' for
Commitment
Someone who'll go the distance
I need somebody with stayin' power
Who will make me go weak in the knees
Commitment
And everything that goes with it
I need honor and love in my life from somebody
Who's playin' for keeps
Commitment
Someone who'll go the distance
I need somebody with stayin' power
Who will make me go weak in the knees
Commitment
And everything that goes with it
I need honor and love in my life from somebody
Who's playin' for keeps
