# Nowhere*

## Ride

I should have known better
Than to expect it all
You want everything
And you end up grabbing at airI had so much to give
So much hope, we held each other high
But the heroes are gone
And all that's left is you and meI learned the hard way
That life should be easy
But I want you to know that it was hard to show
The things that I know nowAnd all that's left is you and me
And here we are, nowhere
