

# Smooth Rider

## Dave Matthews Band

### Hungry

Last night, no way I was gonna be left hungry  
And then your daddy caught me sneakin' out your bed  
It's just a game I play, it's just I roll that way  
Don't think sweet baby I'm messin' with your head  
I'm a smooth rider baby  
You know I just keep movin' on  
I don't know why I like to carry on the way I do  
It's just that I'm in love with you  
If you see me out there runnin'  
And you hear the sheriff's comin'  
Your daddy's crazy with that gun in his hand  
If you know they're comin' for me  
And you know they're runnin' for me  
You know my love won't let them keep me away  
I'm a smooth rider baby  
You know I just keep movin' on  
I don't know why I like to carry on the way I do  
It's just that I'm in love with you, oh  
If you see me out there runnin'  
And you hear the sheriff's comin'  
Your daddy's crazy with that gun in his hand  
If you know they're comin' for me  
And you know they're runnin' for me  
You know my love won't let them keep me away  
I'm a smooth rider baby, oh  
Oh, smooth rider baby  
I'll be out there runnin'
