

Peace Speaker

Geron Davis & Kindred Souls

PEACE SPEAKER

VERSE

It was such a lovely day, the sun was shining bright.
The gentle winds were blowing my way, not a storm cloud in sight.
Then suddenly without warning, a storm surrounded my life.
But even in the storm, I could feel a calm, and hereâ€™s the reason why.

CHORUS

I know the peace speaker. I know Him by name.
I know the peace speaker. He controls the winds and the waves.
When He says, â€œPeace Be Stillâ€•, they have to obey.
I know the peace speaker. I know Him by name.

VERSE

Thereâ€™s never been another man, with the power of this friend.
By simple saying â€œPeace Be Stillâ€•, He can calm the strongest winds.
And thatâ€™s why I never worry, when storm clouds come my way.
I know that He is near, to drive away my fears, and I can smile and say.

BRIDGE/END

Peace, peace, wonderful peace. Coming down from the father above.

When He says, "Peace Be Still", they have to obey.

I know the peace speaker. I know Him by name.
