Intruders

Recoil

I've been waitingIntruders just keep coming
Intruders just keep coming
Intruders just keep comingDid you ever wish that something
Would come and save you?
Did you ever hope that someone
Would come through for you?
I've been waiting
To receive my emancipationIntruders just keep coming
Intruders just keep coming
Intruders just keep comingIntruders just keep coming
Intruders just keep coming
Intruders just keep comingIntruders just keep coming
Intruders just keep coming
Intruders just keep comingDown, down, down
Here I go again, oh noI'll take a knife, I'll take a blade
I'll take a line of anything that you've got
I'll take a knife, I'll take a blade
I'll take a line of anything that you've gotI'll take a knife, I'll take a blade
I'll take a line of anything that you've got
I'll take a knife, I'll take a blade
I'll take a line of anything that you've gotDown, down, down
Here I go again, oh no
'Round and 'round
Here we go again, oh noDown, down, down
Here I go again, oh no
'Round and 'round
Here we go again, oh noIntruders just keep coming
Intruders just keep coming
Intruders just keep coming
