

Red Blooded Woman (Celestial Bhangra Mix)

Kylie Minogue

Count backwards 5 4 3 2 1
Before you get too heated and turned on
(This guy)
You should have learned your lesson all them times before
You've been bruised,you've been broken
Then there's my mind saying think before you go
Through that door,it could lead you nowhere
(This guy)
Has got you all romantic,crazy in your head
Do you think I'd listen,no I don't care'cause I can't focus ,I can't stop
You got me spinning ,round,round,round,round
(Like a record)
I can't focus,it's too hot
(Inside)
You'll never get to Heaven if you're scared of getting high...Boy,boy let me keep freaking around
I want to get down
I'm a red blooded woman
What's the point in hanging round
Don't want to keep turning it down
When this girl wants to rock with youMy conscience saying,get down off this dream
It's too dangerous and deadly
(This guy)
Has got you talking round in circles can't you see
All for the sake of sexy
(You're loving it)
Then there's my sense saying stop before you fall
I don't want to pick you up again
(This guy)
Has got you all romantic,crazier each day
Do you think I'd listen,there's no way...'cause I can't focus ,I can't stop
You got me spinning ,round,round,round,round
(Like a record)
I can't focus,it's too hot
(Inside)
You'll never get to Heaven if you're scared of getting high...Boy,boy let me keep freaking around
I want to get down
I'm a red blooded woman
What's the point in hanging round
Don't want to keep turning it down

When this girl wants to rock with you Let me keep freaking around
(Freaking around, freaking around)
Red blooded woman
It's too hot inside
You'll never get to Heaven if you're scared of getting high Lalalalalalalala
Freaking around
Lalalalalalalala
Freaking around
Lalalalalalalala
Freaking around
Lalalalalalalala
Freaking around Boy, boy let me keep freaking around
I want to get down
I'm a red blooded woman
What's the point in hanging round
Don't want to keep turning it down
When this girl wants to rock with you (Rock with you)
