

# What A Mess

[Sr-71](#)

I confess, it's all true  
I'm a mess, what a fool  
Now what do I do?  
I need your help to get up from my knees  
I can't seem to see the forest for the trees  
As I wait in my silent misery  
All I'm askin' is please, forgive me  
Now she knows me  
Now she knows me  
But she wants me to be someone I can't be  
Still she wants me  
She needs me  
She wants me, 'cause she loves me  
I need your help to get up from my knees  
I can't seem to see the forest for the trees  
As I wait in my silent misery  
And all I'm askin' is please, forgive me  
Shattered, now you see inside  
'Cause I no longer hide  
Or fall between the cracks you left behind  
Shattered, now you're out of time  
You've come this far to be denied  
What a shame, I'm to blame?  
What a shame, I'm to blame?  
I need your help to get up from my knees  
'Cause I can't seem to see the forest for the trees  
And as I wait in my silent misery  
And all I'm askin' is please, forgive me  
I need your help to get up from my knees  
'Cause I can't seem to see the forest for the trees  
And as I wait in my silent misery  
'Cause all I'm askin' is please
