

# Livin' In The Future

## Bruce Springsteen

A letter come blowin' in  
On an ill wind  
Somethin' 'bout me and you  
Never seein' one another again  
And what I knew had come  
Stars struck deaf and dumb  
Like when we kissed  
That taste of blood on your tongue  
Don't worry, darlin'  
No baby, don't you fret  
We're livin' in the future  
And none of this has happened yet  
Don't worry, darlin'  
No baby, don't you fret  
We're livin' in the future  
And none of this has happened yet  
Woke up election day  
Sky's gunpowder and shades of grey  
Beneath the dirty sun  
I whistle my time away  
Then just about sun down  
You come walkin' through town  
Your boot heels clickin' like  
The barrel of a pistol spinnin' round  
Don't worry, darlin'  
No baby, don't you fret  
We're livin' in the future  
And none of this has happened yet  
Don't worry, darlin'  
No baby, don't you fret  
We're livin' in the future  
And none of this has happened yet  
The earth it gave away  
The sea rose towards the sun  
I opened up my heart to you  
It got all damaged and undone  
My ship Liberty sailed away  
On a bloody red horizon  
The groundskeeper opened the gates  
And let the wild dogs run  
[Instrumental]  
Alone I limp through town  
A lost cowboy at sundown  
Got my monkey on a leash  
Got my ear tuned to the ground

My faith's been torn asunder  
Tell me is that rollin' thunder  
Or just the sinkin' sound  
Of somethin' righteous goin' underDon't worry, darlin'  
No baby, don't you fret  
We're livin' in the future  
And none of this has happened yet  
Don't worry, darlin'  
No baby, don't you fret  
We're livin' in the future  
And none of this has happened yet  
None of this has happened yet  
None of this has happened yet  
None of this has happened yet  
None of this has happened yet[Instrumental]Na na na na, na na na na-na  
Na na na na, na na na na-na  
Na na na na, na na na na-na  
Na na na na, na na na na-na  
Na na na na, na na na na-na  
Na na na na, na na na na-na  
[fades]
