One day when I was home alone  
Just me and the dog holding the phone  
I gave my pal a piece of cheese  
It was limberger the cheese that pleezesOh oh oh oh oh oh he had to go  
Oo oo oo oo oo oo Number 2  
Ar ar ar ar ar ar it was to far  
Or or or or or or or to the doorThere was shit and piss all over the place  
My dog Wallace had gone to pieces  
There was a revolting oder in the air  
It was limberger the cheese that pleezes
