Holding On

Heather Small

I look around and I wonder
How much pain does it take
To admit to a failure
I've made a mistakeI talk like I hate you
I just need to be free
I don't mean to hurt you but
It's time to think about meYou say that you love me
You're makin' me cry
You say that you need me
But I'm not about to lieHolding on to you is as mad as it seems
Holding on to you is the end of my dreams
Didn't know time could move so fast
You and I were living in the pastHolding on to you is as mad as it seems
Holding on to you is the end of our dreams
You know time can move so fast
Before you know we're living in the past
Holding on to you is letting go of meWas I ever so foolish?
I tried so hard to believe
That you were the answer
But I was deceivedI talk like I hate you
But it just ain't the truth
While love lies sleeping
I'm gonna make my moveYou say that you love me
You're makin' me cry
You say that you need me
But I'm not about to lieHolding on to you is as mad as it seems
Holding on to you is the end of my dreams
Didn't know time could move so fast
You and I were living in the pastHolding on to you is as mad as it seems
Holding on to you is the end of our dreams
You know time can move so fast
Before you know we're living in the past
'Cause holding on to you is letting go of meIt's time to step to the future baby
Don't look back you know it ain't easy
When it's time for change
To make new arrangements baby
Don't look back, you know I can't lieHolding on to you, holding on to you
There goes my dream
Didn't know time could move so fast

You and I were living in the pastHolding on to you is as mad as it seems
Holding on to you is the end of our dreams
You know time could move so fast
Before you know we're living in the past
'Cause holding on to you is letting go of meAnd I can't let go of me, and I won't let go of me
It's time to step to the future, I can do that baby
Make new arrangements baby
Make new arrangements baby
'Cause I can't let go of me
'Cause I can't let go of me
