

I Am Not Safer Than A Bank

Matthew Good

Well, Is it larger than a baby's arm?
A few more cocktails to straighten you out
And, we'll get to the bottom of it
Something better to disarm
You were in the bathroom far too long.

Now, look at you go.
I'm not safer than a bank bitch
I'm not safer than a bank bitch
But, I'll tell you this,
'cause your bound to find out,
Nothing is.
