## Teen Daze

I climbed above the tree lines  
I saw the world in new light  
Patters in the sky  
Only seen from high aboveIt was love  
It was love  
It was love  
It was loveI climbed towards a new sun  
And I knew that I couldn't have been the only one to make it here  
Patterns in the sky  
Dreams becoming real right before my eyes  
It was love  
It was love  
It was love  
It was love
