

# What You Need

## Priors

Oh yeah

If you belonged to me nothing else would matter  
I'd give you the moon and the stars on a silver platter

Kiss you the way you should be kissed  
And show you the kind of love that you missed

So hear me  
Sweet baby  
My heart won't lie

Oh no

What you need is what you get if you come to me  
I'll give you love you won't regret I'll set you free  
If you believe like I believe boy, you know it's true  
Everything you need, I'll give to you  
You've been alone too long baby, let me help you  
Show you where your heart belongs you know I'd love to  
Give you one thousand reasons to stay  
Be the light in my window if you lose your way

So don't fear  
Baby, I'm right here  
I'll never leave you  
What you need

What you need is what you get if you come to me  
I'll give you love you won't regret I'll set you free  
If you believe like I believe boy, you know it's true  
Everything you need, I'll give to you  
This is a promise you can keep  
Just bring your broken heart to me  
Baby, you know I'll always be the one you've waited for  
The girl you've dreamed of just let me in and you'll see  
What you need is what you get if you come to me  
I'll give you love you won't regret I'll set you free  
If you believe like I believe boy, you know it's true  
Everything you need, I'll give to you
