

# VIVID DREAMS

**Kaytranada**

In a dream I can see you crystal clear  
I'm awake I begin disappear  
In a dream I can see you crystal clear  
I'm awake I begin disappearShe's burning here below my mind  
The green and purple smoke it rises, rises  
As every hidden wish collides  
Those illusions but I can't deny  
She's burning in below my mind  
The green and purple smoke it rises, rises  
As every hidden wish collides  
I'm falling and I can't deny it  
I'm falling in
