

Turn Me Loose

Vince Gill

You better turn me loose
Well turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway
Well why don't you tell me just what's goin' on
Both of us lyin' here, we both know it's wrong
So why don't you let me, why don't you leave it alone
And don't keep hangin' on to a love that's dead and gone

You better turn me loose
Well turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway
Well you can't see it's over that's really a shame

Well our love didn't make it, no one's to blame
So why don't we say goodbye, why don't we just say we're through
And I'll be on my way and I'll get by without you

You better turn me loose
Well turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway
You better turn me loose
Well turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway
Turn me loose you know I'll make it anyway
