Break It Off

Deadboy & The Elephantmen

I ain't got no tears wasted on you, dead man
There is no time for you to steal from the truth
I hope that they stick it in, break it off, dead man
I hope that they stick it in, break it off, dead man
[x3]When they had me in a hole, my father lost control of his soul
I hope that they stick it in,
break it off, dead man

[x4]There is no time for you to steal from the truth
[x3]I hope they stick it in,
break it off, dead man
I have got no tears to waste on you, deadman
Oh dead man [x5]
Dead man [x10]
