

# Speak To The Sky (Live Album)

## Petra

In a corner with no windows, no apparent way to go  
No escape hatch, must be some catch  
Must be something you don't know Look down, look around, all your hopes  
Are sinking deep into the ground  
Look up through the night  
SOS is gonna make it to the light when you Speak the sky and wait for the answer  
Someone will be there to take your call  
Though you may be at the brink of disaster  
Speak to the sky and you never will fall When temptation will surround you  
Enemy is closing fast  
Fight insistance with resistance  
You can know that it won't last
