

Leader Of The Pack

Twisted Sister

Hey, is he really goin' out with her?

There he is, let's ask him

Hey man, is that your ring she's wearin'?

Uh, huh

Man, it must be great ridin' with her

Are you pickin' her up after school today?

Uh, huh

By the way where'd you meet her

I met her at the candy store

She turned around and smiled at me

You get the picture?

Yeah, we see

That's when she fell for

The leader of the pack

Her folks were always putting me down

They said I came from the wrong side of town

They told her that I was bad

But she knew I was sad

That's why she fell for

The leader of the pack

One day her dad said find someone new

She had to tell me that we were through

I stood there and asked her why

But all she could do was cry

"I'm sorry I hurt you"

The leader of the pack

She was so small as she kissed me goodbye

Her tears were beginning to show

And as she drove away on that rainy night

I begged her to go slow, if she heard I'll never know

No, no, no, no, no, no, no, no, no

I felt so helpless, what could I do?

Remembering all the things we'd been through

The gang they all stop and stare

I can't hide my tears but I don't care

I'll never forget her

Leader of the pack

Leader of the pack and now she's gone

Leader of the pack and now she's gone
Leader of the pack and now she's gone

...
