

# New Romance

## Azekel

I'm getting out  
A clash of hope and real life  
Been 'bout it, we threw it all  
With you or no one else  
Is that enough?  
And everybody seems gonna break his heart  
It's better now  
'Cause I've found somebody else I found a new romance  
I found a new romance  
I found a new romance  
I found a new  
Scared about you  
Thought you were the first that get me drowning  
I had enough  
So I swim to somewhere else  
I didn't know  
Where the hell you were when I needed somebody  
It's better now  
'Cause I found somebody else  
I found a new romance  
I found a new romance  
I found a new romance  
I found a new And it's so true
