Come And Stay With Me

Marianne Faithfull

I'll send away all my false pride
And I'll forsake all of my life
Yes I'll be as true as true can be
If you'll come and stay with me.

Lovers of the past I'll leave behind
There'll never be another on my mind
I'll do all I can so you'll feel free
If you come and stay with me

The promises I made most faithfully
I'll keep them still should you decide to leave
I'll try and see that you have all you need
If you'll come and stay with me

We'll live a life no one has ever known
But I know you're thinking that I'm hardly grown
I'll do all I can so you'll feel free
If you'll come and stay with me.

But oh thank God at last and finally
I could see you're gonna stay with me
