The Antidote

St. Vincent

I am the antidote Ill suck your venom out Show me where it really hurts Ill show you where it really hurtsShouldve stopped for the wind Shouldve stopped for love Shouldve stopped for the wind Shouldve stopped for loveHoney, your clothes are soaked Mom leaves my daddys trapes Show me where it really hurts Ill show you where it really hurtsShouldve stopped for the wind Shouldve stopped for love Shouldve stopped for the wind Shouldve stopped for loveShouldve stopped for the wind Shouldve stopped for love Shouldve stopped for the wind Shouldve stopped for loveShouldve stopped for the wind Shouldve stopped for love Shouldve stopped for the wind Shouldve stopped for loveShouldve stopped for the wind Shouldve stopped for love Shouldve stopped for the wind Shouldve stopped for love
