Ready to Strike

Firewind

Tell me the story about last night
Tell me that you won't give up the fight
Tell me that you believe in yourself
Do the things you want to do
Tell me you'll keep these wings up high
Tell me what you won't stay there and cry
Tell me that all hell will break loose
Tell me there is no good excuseNo one can stop this time machine
It keeps on rolling till the dawn
If you want to join this dark engineWe're ready to strike
We're ready to strike
Across the oceans
In the dead of the night
-Solo-Tell me you'll keep this faith alive
Tell me that you won't stay there and sigh
Tell me you'll turn this place upside down
I'll tell you that no one messes me around
Tell me the story about last night
Tell me that you won't give up the fight
Tell me that you believe in yourself
Do the things you want to doNo one can stop this time machine
It keeps on rolling till the dawn
If you want to join this dark engineWe're ready to strike
We're ready to strike
Across the oceans
In the dead of the night
Just like a fragile feather
You're trembling in the wind
Your fear is closing in you
Stay there till you bleed
Oh with no tear you will
Sail across the oceans
Like a storm coming out
Through the darkness-Solo-No one can stop this time machine
It keeps on rolling till the dawn
If you want to join this dark engineWe're ready to strike
We're ready to strike
Across the oceans
In the dead of the night
