

Fall In Love (Your Funeral)

Erykah Badu

You better go back the way you came
Wrong way
If you stay
Prepare to
Have Yo shit rearranged
The way
I say
You better get on away from here
You gone see
It's gone be
Some slow sangin and flower bringing
If my burglar alarm starts ringing

You don't wanna fall in love with me
You don't wanna fall in love with me
You don't wanna fall in love with me
You don't wanna fa la la

You ain't the worst one I have done
But you'll do
Till he come
See we gone take this shit from the top
You gotta
Change jobs
Change gods
Or you better get on away from here
You gone see
It's gone be
Some slow sangin'
And flower bringing
If my burglar alarm starts ringin'

You don't wanna fall in love with me
You don't wanna fall in love with me
You don't wanna fall in live with me
You don't want to fa la la

Cause it's gonna be some slo sangin'
And flower bringing

If my burglar alarm starts ringing

(Your funeral)
