

Rodent (Live In Warsaw)

Skinny Puppy

level edge backs against the ledge no knives the stone hard eyes without the longing or
fear that it would disappear they cling on nurturing never ending obsessions on the table
lines needed walls cover tips the balance don't touch me wiped out cornering mouthed the
word money head shake handshake out to get a long way from corrosion pushes closer to
the edge wired not connected peeling back plastic wrap tinted green and all illusion
existing caught up crossfire trading tall tales where are you going where do you fail
whats that mean back and forth side by side loose knot weave keep it up altogether or
whatever that means passing underneath the trespass dont get to close mouth the word
your money if I fade I may and I want to fade away all that I do is pray that you will
be there too if this were trying to deceive some minds what the hell do you got to say?
altogether
