

Crank It Up

HI-LO

Oh, crank it up
Oh, I like that, ah
Oh, yeah, woo
Th-th-this beat is hypnotic
I wanna ride it like a chauffeur
Sound of the sonic's controlling me just like a robot
I go bionic so D-D-DJ, put it on
I'm losing logic and cruising deeper in the zone
It's so cinematic, charismatic, you got me frozed up
This acrobatic beat is something I need a dose of
I'm systematically moving every single bone
There's no mechanic that can understand what I'm on
Let's crank it up till the walls cave in
Just crank it up, put that record and spin
'Cause I am ready to party, gonna get my girls and get naughty
Just crank it up till the walls cave in, just crank it up
Crank it up
Th-th-this beat is melodic, harmonic, got me striking poses
I get up on it electronically feeling so fresh
It's so erotic, my body's like a cyclone
I'm like a puppet, can't stop it, dropping like a stone
It's so cinematic, charismatic, you got me frozed up
This acrobatic beat is something I need a dose of
I'm systematically moving every single bone
There's no mechanic that can understand what I'm on
Let's crank it up till the walls cave in
Just crank it up, put that record and spin
'Cause I am ready to party, gonna get my girls and get naughty
Just crank it up till the walls cave in, just crank it up
Turn it up louder, turn it up louder, turn it up
DJ, turn it up louder, turn it up louder, turn it up
DJ, turn it up louder, turn it up louder, turn it up louder
Turn it up louder, turn it up louder, turn it up
Turn it up
Crank it up till the walls cave in
Just crank it up, put that record and spin
'Cause I am ready to party, gonna get my girls and get naughty
Just crank it up till the walls cave in, just crank it up
I systematically move every bone

So crank it up, I wanna get in the zone
I systematically move every bone
So crank it up, I wanna get in the zone
