

# White Light/White Heat

[Lou Reed](#)

White light goin' messin' up my mind  
Don't you know, it's gonna make me go blind  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows White light goin' down to my brain  
Hey, don't you know it's gonna make me insane  
White heat, down to my toes  
Lord have mercy, white light had it, goodness knows  
Forget it White light  
Ooh, white light  
Ah, white heat  
Ooh, yeah, white light White light goin' messin' up my mind  
Don't you know, it's gonna make me go blind  
White light, goin' down to my toes  
Lord have mercy, white light had it, goodness knows White light goin' messin' up my brain  
Don't you know it's gonna make me insane  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows  
Forget it Ooh, white light  
Yeah, ah, white light, white heat  
Oh, baby, white light  
White light, now, now, now White light goin' messin' up my mind  
Don't you know, it's gonna make me go blind  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows White light goin' down to my brain, ooh  
Oh, don't you know it's gonna make me insane  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows  
Forget it White light  
Ooh, white light  
Ooh, baby, white heat  
Yeah, white light
