Coming Back to You

Macy Gray

I've been here before
I'll be back for more
Maybe this time I can stay
Forever more, forever moreWonder what the future brings
Fortune tellers and time machines
I predict what they'll predict for me
That I keep coming back to you(Coming back to you)
I keep
(Coming back to you)I keep
(Coming back to you)
Hey, I'm
(Coming back to you)One day they'll get it right
I will live and I will die
A million times, as long as you are mine
I keep coming back to you(Coming back to you)
I keep
(Coming back to you)
I keep
(Coming back to you)
I keep
(Coming back to you)Go back and go ahead,
Over again I'll meet you, baby, tomorrow
Yesterday's impossible to leave you, babyAny way and every day
I'll take you, babyThey call it deja vu but I'm, I'm just in love with you
(They call it deja vu but I'm, I'm just in love with you)
(They call it deja vu but I'm, I'm just in love with you)
(I'm just in love with you)
(Forever more)
(I'm just in love with you)Keep coming back to you
(Been here before)
Coming back to you
(Back for more)
Coming back to you
(Maybe this time I can stay)Coming back to you
(Coming back to you, coming back to you)
(Coming back to you)Over and over again
I've been here before
I'll be back for more
Maybe this time I can stay
