

# Dreamland

## HammerFall

See the light of those who find  
As time pass you by, you're still left behind  
Time has come for you to see  
That life is a game you'd rather play or flee  
The ivory gates cast shadows, might betray  
Surrender this night, or choose my way  
Come with me, I'll take you there  
To the land of make believe  
Let us fly beyond our dreams, fall into reverie  
On the wings of destiny, I will claim our liberty  
With the power of the steel  
With the power of the steel  
With the power of the steel  
Dreamland will reveal  
All you see is black or white  
You have to spell out what's wrong or right  
Spoken words may have let you down  
It's time to stand up and rise with the sun  
You entered the gates and there's nothing left to fear  
But don't let the matter stand, you're near  
Come with me, I'll take you there  
To the land of make believe  
Let us fly beyond our dreams, fall into reverie  
On the wings of destiny, I will claim our liberty  
With the power of the steel  
With the power of the steel  
With the power of the steel  
Dreamland will reveal  
Let me know if you want to go, there's a place for you and me  
Let me take you to the temple of your heart, let me know  
You entered the gates and there's nothing left to fear  
But don't let the matter stand, you're near  
Come with me, I'll take you there  
To the land of make believe  
Let us fly beyond our dreams, fall into reverie  
On the wings of destiny, I will claim our liberty  
With the power of the steel  
With the power of the steel  
With the power of the steel  
Dreamland will reveal
