Kill You

Kicking Harold

Somewhere I losted touch with you
You disappeared without a clue
And I just wanna talk
I just wanna talk to youWould it kill you if I told you I loved you
Would it kill you if I told you I caredI careScratching through a walk of fear
Cause this old brick has new ears
And I just wanna talk
I just wanna talk to you
To youWould it kill you if I told you I loved you
Would it kill you if I told you I'm scared
Would it kill you if I told you I loved youWould you drop dead, or would you fall for meSomewhere I losted touch with you
I just want to talk to you
Somewhere I losted touch with youWould it kill you if I told you I loved you
Would it kill you if I told you I cared
Would it kill you if I told you I loved you
Would it kill you if I told you I'm scaredFall for me
