

# You Have to Be There

Susan Boyle

[Susan Boyle]

What is it Lord that you want  
That I am not seeing?  
What in my ignorant prayers  
Am I failing to say?  
Never before have I questioned the truth of your being  
Never once have I dared  
Never until today  
All of a tremble  
I stand on the edge of confusion  
Who is to save me  
If into the darkness I fall?  
Now that I need more than ever my God to be near me  
Do you hear when I call?  
Are you there after all?  
You have to be there, you have to  
My life I have placed in thy keep  
And without you I am drifting on a dark and stormy sea  
You have to be there, you have to  
Without you I'd drown in the deep  
Too far, too far from land  
The waters drag me down  
I reach for your hand  
And when I die will throw open his arms to receive me?  
Who will forgive me and take me and show me his face?  
When I go to my rest, who will watch me and wake me?  
When my time comes at last, will you grant me your grace?  
I am so small of this Earth, I am nothing without you  
Daring to doubt you at all turns a knife in my heart  
Little by little I'm losing my way in the shadows  
I am losing my hope and the world falls apart  
You have to be there, you have to  
My life I have placed in thy keep  
And without you I am drifting on a dark and stormy sea  
You have to be there, you have to  
Without you I'd drown in the deep  
Too far, too far from land  
The waters drag me down  
I reach for your hand

You have to be there, you have to  
Without you I'd drown in the deep  
Too far, too far from land  
The waters drag me down  
I reach for your hand
