Gemini just dropped dead (Geminiâ€™s dead)
Gemini just dropped dead (Geminiâ€™s dead)
Gemini just dropped dead (Geminiâ€™s dead)
Gemini just dropped dead (Geminiâ€™s dead)

Gemini just dropped dead (Geminiâ€™s dead)
Gemini just dropped dead (Geminiâ€™s dead)
Gemini just dropped dead (Geminiâ€™s dead)

Take me to the movie
Someone elseâ€™s dreams
Never ever wake me
You know what I mean
Well, paradise is what you find
or just what you leave behind
Baby left a feeling
better left unsaid

Oh, Gemini just dropped dead (Geminiâ€™s dead)
Gemini just dropped dead (Geminiâ€™s dead)
Gemini just dropped dead (Geminiâ€™s dead)

Gemini just...
