

Glockenspiel Song

Dog Is Dead

We'll all start a fire
If the bells don't ring in our home town
They're just cheats and liars
They will serve you well

Oh
Oh, are we so alive?
Are we so alive?
So
So
So
So

Daylight breaks and I'm in your arms again
A tiger waiting to be tamed
We're beat down fingers and we're beat down toes
And we're beat down singers in the beat down halls
But till time came back twice around

Oh
Are we so alive?
So
So
So

Oh this town, it's so electric
Since I got the feeling I can't shut down
Oh this town, it's so electric
Since I got the feeling I can't shut down
Oh this town, it's so electric
Since I got the feeling I can't shut down
(We are a mess, we are failures and we love it)
Oh this town, it's so electric
Since I got the feeling I can't shut down
(We are a mess, we are failures and we love it)
Oh this town, it's so electric
Since I got the feeling I can't shut down
We are a Mess!
