Exist To Exit

Arch Enemy

Angela Gossow/Michael AmottLiving in the shadows
Crawling in the dark
Another face you will never see
Another voice you will never hearErase my mortal shell
To feed my dying soul
Morbid glory shines on me
I will leave my markYou will know
When I go
You will see
Exist to exitSuicide - escape oblivion
Kiss the blade of sharp, cold steel
The perfect day for my final exit
Hold you breath when I dieArt, action, reincarnation
Evolution through ritual death
Reborn as an infamous legend
Forever immortal, post-mortem fameLead melody - Michael Amott
Lead - Christopher AmottOutro Whammy Lead - Christopher Amott
